# E-cross plus

## Electronic lock

E-cross plus is one of the new models with a minimalist aesthetic!

The ability to choose from 5 different handles designs makes it fully compatible with the architecture of the space.

Robust construction and designed to adapt to all door thicknesses and types: wooden, aluminum, fire resistant, security.

Ideal for interior or exterior doors exposed to extreme weather conditions (IP65).

Suitable for hotel public area doors.

It does not require wiring for its installation.

4 AA Alkaline batteries power the lock over an extended lifetime 1<sup>1/2</sup> years.

Works with RFID cards or optionally with BLE digital keys to unlock the lock via the guest's smartphone.

Basic color of E-cross plus is inox satin.
