

SB Overdrive - lift & slide

Electronic lock

If you decide to use a Lift & Slide door as the hotel room main entrance then you will realize that the only compatible electronic lock is SB Overdrive Lift & Slide!

Elegant design. Designed to adapt to all types (wooden, aluminum, PVC) & thicknesses profiles of lift & slide doors.

Perfect application upon existing euro profile Lift & Slide mortises.

Ideal for interior or exterior doors exposed to extreme weather conditions.

It does not require wiring for its installation.

The mechanical key continues to be able to unlock the lock in case of an emergency.

Rechargeable lithium batteries power the lock lifetime of 2-3 months.

Basic color of SB Overdrive Lift & Slide is black.

How would you like open the door?
